Examiner

DELIVERED BY MESSENGER

Dear Sir:

In accordance with the telephone conversation with the Examiner earlier today, Applicants' undersigned attorney hereby certifies that the enclosed document constitutes a true and complete copy of the "Petition Under 37 C.F.R. § 1.47" (with appended Exhibits) which was filed by Applicants by mail at the Patent and Trademark Office on or about June 1, 2001.

The enclosed document is being filed as a substitute for subject Petition, which has apparently become separated from the PTO's internal file wrapper.

Respectfully submitted,

Date: June 1, 2001
